Virginia,

Yes, he has been sent the documents and the link to the appendices.

Subject: Submission of Rover AFEIS for Co-op Review

Good Afternoon!

Attached are the sections for the Administrative Final EIS for the Rover, Trunkline, and Panhandle Projects for your review and comment. Attached is also the Response to Comments filed by federal, state, and local agencies. You will also be receiving an email from me (kim.sechrist@cardno.com) that will provide you access to the appendices on OneDrive (including the agency letters for the response to comments). When editing the documents, please use track changes. Please have all comments/edits completed by **May 24, 2016**. You can provide your edits/comments to Kevin Bowman (kevin.bowman@ferc.gov) and to me. Please keep in mind that this **is not a public document at this point - it is a pre-decisional, agency working document - and therefore, not subject to disclosure.** Please **do not** discuss the contents with those outside of your agency and Rover. Should you get requests to see what you are reviewing - they should be directed to FERC as the lead agency for this EIS.

For those who have requested CDs, you should be receiving those tomorrow morning.

If you have any questions, feel free to contact me or Kevin Bowman.
